FAX-2440C

FAX-2440C
- Colour Fax
- Colour Copier
- Integrated Answering Machine
- Integrated Telephone Handset

Always at **your** side

The Brother FAX-2440C

All the versatility of flatbed fax and copy functions with the convenience of an integrated answering machine.

Compact, stylish and easy to use
Peace of mind in the office or at home

Up to 10 sheet ADF
Fax and copy multi-page documents quickly and easily

Convenient flatbed design
Enables bound documents to be faxed and copied as easily as single sheets

FAX-2440C

- *Up to 100 sheet paper capacity*
- *Up to 10 page automatic document feeder*
- *80 speed dials*
- *6 One-Touch dials*
- *Up to 250 page transmit/receive memory capacity*

This competitively priced machine is compact, stylish and simple to use.

Office or home – communication has never been easier

The FAX-2440C makes life easier, whether you are working in a small office or at home. The control panel is well laid out, with illuminated function keys that enable you to switch easily between copy and fax modes. The stylish, well thought out design, incorporating integrated handset, duplex speakerphone and answering machine, will free up much needed space in your work area.

Colour faxing

The FAX-2440C offers both a flatbed and an automatic document feeder so that bound documents are just as easy to fax as single sheets. Convenient one-touch and speed dials feature on this machine and a sizeable memory ensures vital information will not be lost. Dual access allows a fax to be saved to memory for transmission even when receiving a fax or copying a document.

Flexible colour copying

The adjustable hinge on the flatbed makes copying bound documents as simple as single sheets. The FAX-2440C also comes with a range of additional features, including 2 in 1 and 4 in 1 mono copying, which allow you to manipulate documents to your exact requirements. The useful 'Stack' and 'Sort' facility also makes collating documents much easier.

Telephone and message manager

The integrated handset saves desk space and comes complete with a hands-free feature. The provision of an answering machine also means you will never miss another important call.

- *Hands free dialling*
- *Stores up to 99 messages*

Software to increase performance

At Brother we are always looking to increase the performance of our products. To extend the capabilities of your Brother fax machine you can download the Brother PC-FAX software and Printer Drivers. This enables you to send mono PC faxes and print documents straight from your computer.

For further information on compatibility see the Systems Requirements table on the reverse of this leaflet.

Individual ink cartridges

Eliminating the frustration of having to throw away unused inks, Brother's colour inkjet machines provide separate ink cartridges for each colour. Now all you have to do is replace the empty colour cartridge reducing wastage and the cost per copy.

Capillary ink system

Brother's capillary tube delivery system provides ink from the FAX-2440C's four separate cartridges direct to the print head. The result is a smoother operation and ink cartridges that are quicker and easier to replace.

FAX-2440C

Technical Specification

General

Engine		Inkjet
Handset		This model is fitted with an integral handset as standard
LCD Display		1 line x 16 characters
Back-lit Function keys		For easy selection of Fax or Copy functions
